LYRICS TRANSLATION

Kimi Wo Nosete 君をのせて (CARRYING YOU)

Music by Joe Hisaishi/Lyrics by Hayao Miyazaki

The horizon spreading wide
Its radiance fills the sky
It shines because it is hiding you somewhere

I yearn
For the many lights that I see
Because you are in one of them

Let our journey start from here
With a slice of bread, a knife and a lamp in our bag

The passion that is my father's legacy
The loving look my mother gave me

The earth turns
While it hides you
Twinkling eyes
Sparkling lights

The earth turns
Carrying you on it
Carrying both of us who are destined to meet one day

The passion that is my father's legacy
The loving look my mother gave me

LYRICS TRANSLATION

教我如何不想他 (LONGING)

Music by 趙元任/Lyrics by 劉半農

LONGING

Wispy clouds dotted the blue sky
Soft breeze stirred the air
Gentle puff whispered through tangled hair
Ah! A song of longing

Moon and ocean gently dance
Entwined in their reflections
Come taste the nectar of this silvery night
Longing is sung

Petals drifting in the brooks
Little fish weaving in the creeks
Oh swallows, what are you saying?
It's a song of longing

Withered branches sway in the chilly air
Gleaming flames shimmering at twilight
Streaks of amber melting along the horizon
How I long for thee
